

# National Environment Awareness Campaign 2006-07

The National Environment Awareness Campaign (NEAC) is organized by Ministry of Environment & Forests every year since 1986 with the objective of creating environmental awareness at the national level. This campaign is being continued this year and the theme for NEAC 2006-07 is:

1. SOLID WASTE MANAGEMENT.
2. The Ministry of Environment & forest has further identified sub themes for conducting the campaign .These include management of household waste/ municipal waste, bio-medical waste, plastic waste, electronic waste and industrial waste including fly ash, composting /vermi-composing and waste management at higher altitude.
3. Proposals are invited from the registered NGOs, voluntary organisation , educational institutions, State Government departments, registered professional bodies etc. working in the field of environment and sustainable development for conducting various activities such as seminars / workshops, preparation of educational resource material on environment issues etc. for creating environmental awareness on the identified theme amongst the masses. The proposal must also include an action oriented component, which would result in environment improvement and benefit to the local community.
4. The guidelines and proforma for submission of proposals can be obtained free of cost from the designated Regional Resource Agency for your State / UT mentioned below, either in person or by post.
